

Genie Forklift

Genie is a universally recognized company that enjoys the spirit of partnership with their extensive network of connected customers. Genie Industries prides itself on the idea of bringing materials and people higher and extending beyond the products they produce. Genie Industries strives to help clientele build their operations no matter how large or small the level of operation may be.

In 1996, with the inauguration of the Genie Hoist, which is a pneumatic, transportable material lift spawned the beginning of Genie Industries. A succession of aerial work platforms and additional material lift trucks followed to satisfy customer demand. These modern products secured universal acknowledgment and established modern product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to construct and maintain foremost quality construction and unbending level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material forklifts on the jobsite, the business is firmly planted in their exceptional customer values and service. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are personally dedicated to providing expertise and maintaining customer rapport.

The trustworthy team is committed to greener, more environmentally sensible possibilities to develop the goods that consumers want. Genie Industries focuses on "lean manufacturing" practices in order to help reduce waste while developing very high quality lift trucks in the shortest time period at the lowest workable expense for the customer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every creation they design. Always welcoming customer contribution allows them to manufacture and cultivate innovative new products that are effortless to service and operate, deliver optimum value-for-cost and meet global standards. Thriving on consumer opinion enables Genie Industries to continually evolve and satisfy the consumers' requirements.

Genie's service specialists are eagerly available to provide solutions to the inquiries you may have in order to keep you fully operational. Their extensive parts network will swiftly ship components to guarantee their customers' equipment are operating efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its client service and builds and serves its goods to ensure efficiency and maximum uptime on the job. Providing on-going education opportunities, to marketing support to flexible financing solutions, Genie Industries gives their customers the resources to get the most out of their purchase.
