

Nissan Forklift

Nissan takes great pleasure in achieving overall client satisfaction, when their client is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks offer many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the company has four distinct manufacturing facilities that allow them to continually adapt to their clients continually evolving wishes by offering an array of modern ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and procedures that minimize their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their clients demand whilst being an environmentally responsive corporation.

Nissan is confident that they will be able to address any buyer inquiries or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
